

4500CW

CYLINDER BED LOCKSTITCH, WALKING FOOT

For medium to heavy weight fabric that requires a regular sized cylinder bed (70 mm diameter) we recommend the 4500CW with top and bottom feed a high-pressure foot lift and a longer stitch length.

For sewing leather, upholstery, canvas, and synthetics, the 4500CW cylinder bed with safety clutch offers the whole package. Low noise and vibration design, outstanding build quality and reliability and the industries #1 DC servomotor.
