		Maximum sewing speed	820 spm

1

### DROP-IN HORIZONTAL ROTARY HOOK

This feature ensures smoother sewing and avoids thread jams.

The bobbin is loaded from above, making it effortless to start sewing. The clear cover enables you to see when the bobbin is running out.

2

### BUILT-IN NEEDLE THREADER

Just one movement and the needle is threaded! A smart tool to save precious time and get down to work immediately.

3

### FREE ARM

An invaluable feature for sewing tubular items, such as sleeves or trouser hems, as well as for smaller projects and darning.

4

### EASY-ACCESS FUNCTION BUTTONS

The elna eXperience 450 features some invaluable functions that can be easily operated by simply pressing a button:

- Start / Stop to operate the machine
- Reverse sewing
- Automatic locking stitch
- Needle up/down position

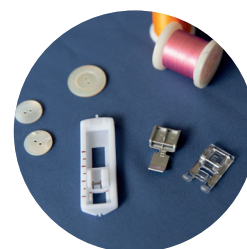

5

### 30 STITCH PATTERNS

A selection of 30 functional and decorative stitches will enable you to perform a wide range of tasks and achieve beautiful effects. The stitch chart is visible on the front of the machine for immediate reference.

The standard stitch length and width are set automatically, but can also be adjusted manually to your needs.

6

### ADDITIONAL PRESSER FEET INCLUDED

In addition to the standard zigzag foot, three additional presser feet are included in the standard accessory package.

Easy to change with our clip-on system, they facilitate special sewing tasks and improve the end-result of your work:

- Zipper foot
- Satin stitch foot
- Buttonhole foot
