

### PFAFF® ambition™ 155 FEATURES

- **Original IDT™ System (Integrated Dual Feed)** – Feeds fabric evenly from both the top and the bottom.
- **Large sewing space** – The sewing area to the right of the needle is 200mm, great for large sewing projects.
- **136 Stitches** – A wide variety of 7mm stitches, including utility stitches, buttonholes, decorative stitches, quilt stitches, cross stitches and hemstitches.
- **Alphabets** – Choose from two different fonts: Block and Cyrillic fonts.
- **Large high-resolution screen** – You can view your selections, options and stitch information including the recommended thread tension. All stitches are shown in actual size.
- **Start/Stop button** – Press the Start button to sew without the foot control.
- **Speed slider** – Adjust the speed with the speed slider for full control.
- **Programmed tie-off with indicator** – Choose from several tie-off options.
- **Twin needle program** – Automatically adjusts the stitch width to prevent needle breakage.
- **Stitch width safety** – Centers needle when using the straight stitch plate to prevent needle breakage.
- **Elongation** – Lengthens satin stitches without sacrificing stitch density.
- **Save personal stitch** – Change the settings of a built-in stitch to your personal preference and save it.
- **LED light sources** – Optimized bright lights illuminate your entire sewing area without shadows.
- **PFAFF® design** – Built to make sewing easy and to achieve professional results.
- **Free-motion sewing** – Simply attach the optional free-motion presser foot for easy free-motion quilting and embroidery.

**PFAFF® ambition™ 155**  
**SMARTER BY PFAFF™ 155**

Since its founding in Kaiserslautern, Germany in 1862 by instrument maker Georg Michael Pfaff, PFAFF® has developed premium sewing machines distinguished by their sophisticated appearance, superior performance and ultimate design freedom. The brand is known around the world as the tool which enables precision, design and unlimited creativity for artisans of sewing, embroidery and quilting. The talented and visionary followers of PFAFF® continue to design and create in their own personal way.

In celebration of our PFAFF® loyal sewists, we have created two special edition computerized machines to celebrate these last 155 years of advancement and innovation in sewing. Whether you are an expert or novice looking to advance your sewing, you can enjoy the features of the PFAFF® *ambition*™ 155 and the SMARTER BY PFAFF™ 155 computerized machines. Both offer affordable and best-in-class craftsmanship required by passionate creators who set the standards for today's sewing.

## Top Features for PFAFF® 155 Anniversary Machines

### PFAFF® *ambition*™ 155 *Spacious. Bright. Precise.*

Discover the PFAFF® *ambition*™ sewing machine and experience the difference that makes this model truly stand out, featuring the original IDT™ System and the large high-resolution screen with the reliability you demand.

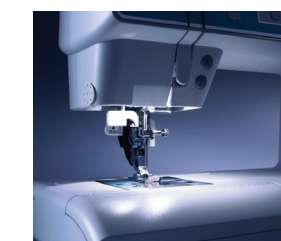

**THE ORIGINAL IDT™ SYSTEM**  
 The Integrated Dual Feed from PFAFF® feeds fabric from both the top and bottom for perfect seams on all types of fabric.

**LARGE SEWING SPACE**  
 Lots of space for large amounts of fabric; great for all types of projects.

**HIGH RESOLUTION SCREEN**  
 View your selection on the highest resolution level.

**THREE LED LIGHTS**  
 Three bright lights illuminate your entire sewing area without shadows.

### SMARTER BY PFAFF™ 155 *Practical and Affordable for a Better Sewing Experience*

With the SMARTER BY PFAFF™ 155 computerized sewing machine, you are ready to begin a sewing adventure focused on your ideas, your uniqueness, your passion and your sewing. With smart features and a unique design, the SMARTER BY PFAFF™ 155 sewing machine line is up to the challenge of helping you express your individuality. This model will soon become your must-have tool to showcase your personal style.

**DIRECT STITCH SELECTION**  
 You don't have to search for a stitch. Simply press the icon of the stitch you want to sew and start sewing.

**START/STOP FUNCTION**  
 Sew without using the foot control. It's even easier to sew long seams, rows of decorative stitches or buttonholes.

**NEEDLE UP/DOWN**  
 The needle remains in the fabric for easy pivoting, allowing you to make a perfect turn at every corner.

**INFORMATION SYSTEM DISPLAY**  
 View the selected stitch or press the i-button to see which presser foot is recommended for that stitch.

### Our Unique PFAFF® Heritage

Throughout the years PFAFF® remains true to its heritage of German engineering and design. Driven to innovate. Committed to individuality. After more than 150 years of serving sewists who are independent and serious in their passion for sewing and quilting, PFAFF® continues to delight. We invite you to celebrate the craft and continue to express your visions for creating fashion, home décor and memories.
