Please come to class with your fabric and sewing kit pre-purchased*. Sawyer Sewing Centre closes at 5:30pm and items can not be purchased after this time.

- 1 meter of muslin fabric. Muslin is made from cotton and handles easily for sewing and pressing. It is a good fabric to practice our techniques on.
- Good quality cotton sewing thread in a contrast colour so you can easily see your sample sewing.
- A binder and plastic sleeves for your binder. You will be building your own reference book with your samples.
- Your sewing kit: (These will all be discussed at the first class)
 - Scissors
 - Thread clippers or small scissors
 - Pins (good, sharp glass head sewing pins)
 - Sewing tape measure (5/8" width)
 - Seam/hem gauge
 - Hand sewing needles
 - Fabric marker (pen, pencil or chalk)
 - Seam ripper

There are sewing machines provided in the classroom. If you would prefer to use your own machine, it must be in good working order and you need to have a general knowledge of the machine. Bring all accessories for your machine (cords, screwdrivers, feet and bobbin).

*Students get 15% discount on all supplies purchased at Sawyer's so please let staff know when making purchases.
